Foundation Course - Puppy or Junior & Adult

Courses are held in a secure environment indoors and outdoors. The objective of the foundation course is to provide owners with the skills so that they can care for and train their dog to become a good family pet. This course is for puppies or dogs that have had little or no training. It is not suitable for dogs with behavioral problems or dogs that bark excessively. We accept puppies as soon as they have had their vaccinations. Dogs 8 months and over at the start of a course, will go into the junior and adult version of the course. By the end of the course your dog should be able to:

- Focus on you on command
- Understand basic obedience commands
- Be willing to be groomed, examined and handled by various people
- Cope with changes in circumstances and unusual events

Owners will know how to :

- Recognise if their dog is ill
- Understand how to care for their dog (physically and mentally).

Obedience On Walks and in Town- Bronze, Silver and Gold

Dogs are not able to transfer learning easily from one place to another that is why we have designed two courses

Obedience on walks and obedience in town to make sure your dog transfers all its learning from our Foundation courses to their everyday environment. Courses are held outdoors. The objective of the courses is to give owners control of their dogs on and off lead in a wide variety of outside situations in the town and the country.

Dogs should only come into this course if they have successfully completed our Foundation course or they have done basic training elsewhere. This course focuses on dogs being relaxed and returning to their owners at all times. Owners are equipped with a wide range of tactics and skills to ensure that country and town walks with their dogs are fun, interactive and manageable. We offer three levels of this course.

Bronze— All skills are trained in a secure environment for obedience on walks and on lead for obedience in town.

Silver— All skills are practiced and improved in a semi secure environment with some off lead work at the trainers discretion.

Gold — Off lead obedience work practiced in a wide range of environments such as the beach, woods, parks with emphasis on control with fun.

Kennel Club Good Citizen Bronze

Courses are held in a secure environment indoors and outdoors.

The objective of the Kennel Club Good Citizen Scheme is to train your dog to nationally recognised standards of behavior with the option of a formal test by an external examiner to obtain the Bronze Certificate to prove your dogs competence. The Kennel Club Scheme is aimed at all dogs whether Kennel Club registered or not, there is no age limit. This course is for dogs that have completed the Foundation Course or done basic training elsewhere.

The Bronze award covers the following exercises, which have to be done to kennel club standards:

- Cleanliness and identification of your dog
- Use of collar and lead
- Walking on the lead
- Control at gates and doors
- Walking amongst other dogs and people
- Stay on lead
- Grooming
- Examination of the dog
- Return to handler
- Responsibility and care of the dog.

Agility with or without Flyball option.

Courses are held indoors in winter outdoors in summer (weather permitting).

Obedience, socialisation, jumping, obstacles and fun in one course. Dogs should only come into this class if they have successfully completed our Foundation course or they have done basic training elsewhere.

Dogs must be at least 6 months for obedience for agility and 8 months for agility beginners. We offer the following courses depending on the age and experience of your dog.

Obedience for agility – suitable for dogs who want to do agility but need to improve their wait and concentration.

Beginners – suitable for dogs that have a good level of obedience who have never done agility.

Bronze – Suitable for dogs that can do a simple course of 5 obstacles and will progress to 10 obstacles by the end of the course

Silver – Suitable for dogs that can do a moderate course of 10 obstacles and will progress to 15 obstacles by the end of the course.

Gold - Suitable for dogs who can do a challenging course of 15 obstacles and will progress to 20 plus obstacles by the end of the course.
