Foundation Course - Puppy or Junior & Adult

Courses are held in a secure environment indoors and outdoors. The objective of the foundation course is to provide owners with the skills so that they can care for and train their dog to become a good family pet. This course is for puppies or dogs that have had little or no training including rescue and rehomed dogs. It is not suitable for dogs with behavioral problems or dogs that bark excessively. We accept puppies as soon as they have had their vaccinations. Dogs 8 months and over at the start of a course, will go into the junior and adult version of the course. By the end of the course your dog should be able to:

- Focus on you on command
- Understand basic obedience commands
- Be willing to be groomed, examined and handled by various people
- Cope with changes in circumstances and unusual events

Owners will know how to :

- Recognise if their dog is ill
- Understand how to care for their dog (physically and mentally).

Obedience with agility and flyball NEW

Would you like to improve your dogs obedience but at the same time try beginners agility and flyball? Then this new Saturday course is for you. Courses are all held in a secure area indoors or outdoors depending on the weather. This course has been designed for dogs and puppies who have completed our Foundation Course but need to improve

- Concentration
- Control
- Calmness
- An introduction to agility

To come on this course your dog needs to have completed our Foundation Course or similar and not to have any behavioural problems such as aggression towards other dogs/humans or bark excessively. We can accept dogs from 6 months of age. This course is excellent for improving the bond between dog and handler.

Explorer Walks

A trainer will guide you and your dog around some of Norfolk's fabulous walks. These walks are designed so you can:

- Be guided around new walks (woods, beach, heathland, towns and villages) so you build up a repertoire of interesting walks for you and your dog
- Make new friends in a social situation
- Practice heelwork (on or off lead depending on competence of dog and handler).

To come on these walks your dog must be at least 8 months old, have no behavioural issues and be able to walk for 1 to 1.5 hrs. The walks will be on lead with the exception of dogs who hold Kennel Club Silver or have completed our Obedience on Walks course, these will be allowed off lead at the discretion of the trainer. Please note that no training is included in these walks.

Obedience On Walks and in Town—Beginners and Improvers

Dogs are not able to transfer learning easily from one place to another that is why we have designed two courses,

1.Obedience on walks

2.Obedience in town

to ensure your dog transfers all its learning from our Foundation courses to their everyday environment. Courses are held outdoors. The objective of the courses is to give owners control of their dogs on and off lead in a wide variety of outside situations in the town and the country. Dogs should only come into this course if they have successfully completed our Foundation course or they have done basic training elsewhere. This course focuses on dogs being relaxed and returning to their owners at all times. Owners are equipped with a wide range of tactics and skills to ensure that country and town walks with their dogs are fun, interactive and manageable. We offer two levels of this course.

Beginners – All skills are trained in a secure environment for obedience on walks and on lead for obedience in town.

Improvers – All skills are practiced and improved in a semi secure environment with some off lead work at the trainers discretion.

Agility with or without Flyball option.

Courses are held indoors in winter outdoors in summer (weather permitting).

Obedience, socialisation, jumping, obstacles and fun in one course. Dogs should only come into this class if they have successfully completed our Foundation course or they have done basic training elsewhere.

Puppy (min 6 months) and Adult version for agility beginners. We offer the following courses depending on the age and experience of your dog.

Beginners –suitable for dogs that have a good level of obedience who have never done agility. Puppy and adult versions.

Bronze—Suitable for dogs that can do a simple course of 5 obstacles and will progress to 10 obstacles by the end of the course

Silver—Suitable for dogs that can do a moderate course of 10 obstacles and will progress to 15 obstacles by the end of the course.

Gold - Suitable for dogs who can do a challenging course of 15 obstacles and will progress to 20 plus obstacles by the end of the course.

Golden Oldies Club NEW

An aging dog's physical and mental decline holds many challenges for their owner, especially if this is the first elderly dog in the family. But with careful management and lots of TLC a dog's last years can be just as fulfilling and interesting as those of its puppyhood it just needs some forward planning to ensure you squeeze every drop of enjoyment out of life for both of you.

To help you do this we have created the Golden Oldies Club. This social club is for elderly dogs who can no longer do long walks, chase balls but still need stimulation and limited activity. For those in multidog households it will give quality time with your dog especially if it now has to be left behind when the rest of your pack is walked. The objective of the club is to provide a fun support network for you and your dog by providing:

- Social activities
- Demonstrations
- Talks
- Visits
- Games
- Massage

All of which will help owners and their dogs cope with the changing needs of an elderly dog. Please note this is not a training course but a social group.
