Customer Satisfaction Survey

SEW-10103 Swafield and Bradfield S101A

Dear Customer,

As you are aware we are working in your village installing a first time sewer.

Whether you are directly or indirectly affected by our work I would really appreciate it if you could spare a few minutes to let us know your thoughts on how we are doing.

We are continually looking for ways to improve and I'd be grateful if you could complete this brief survey and return it to us in the pre-paid envelope provided.

Please use the comments boxes to let us know of any other issues or areas you feel we are doing well, or areas we need to improve on. All of this feedback is invaluable and will help us form our plans for work in the future. If you have any specific questions about this work and would like a direct response please provide your contact details in the relevant box provided overleaf.

Thank you in advance for your help and assistance.

Yours faithfully

Charlotte Worthington
