Foundation Course - Puppy or Junior & Adult

Courses are held in a secure environment indoors and outdoors. The objective of the foundation course is to provide owners with the skills so that they can care for and train their dog to become a good family pet. This course is for puppies or dogs that have had little or no training including rescue and rehomed dogs. It is not suitable for dogs with behavioral problems or dogs that bark excessively. We accept puppies as soon as they have had their vaccinations. Dogs 8 months and over at the start of a course, will go into the junior and adult version of the course. By the end of the course your dog should be able to:

- Focus on you on command
- Understand basic obedience commands
- Be willing to be groomed, examined and handled by various people
- Cope with changes in circumstances and unusual events

Owners will know how to :

- Recognise if their dog is ill
- Understand how to care for their dog (physically and mentally).

Obedience On Walks and in Town—Beginners and Improvers

Dogs are not able to transfer learning easily from one place to another that is why we have designed two courses,

1.Obedience on walks

2.Obedience in town

to ensure your dog transfers all its learning from our Foundation courses to their everyday environment. Courses are held outdoors.

The objective of the courses is to give owners control of their dogs on and off lead in a wide variety of outside situations in the town and the country. Dogs should only come into this course if they have successfully completed our Foundation course or they have done basic training elsewhere.

This course focuses on dogs being relaxed and returning to their owners at all times. Owners are equipped with a wide range of tactics and skills to ensure that country and town walks with their dogs are fun, interactive and manageable. We offer two levels of this course.

Beginners – All skills are trained in a secure environment for obedience on walks and on lead for obedience in town.

Improvers — All skills are practiced and improved in a semi secure environment with some off lead work at the trainers discretion.

Kennel Club Good Citizen Bronze

Courses are held in a secure environment indoors and outdoors.

The objective of the Scheme is to train your dog to nationally recognised standards of behaviour, with the option of a formal assessment by a Kennel Club approved assessor.

It is an opportunity for you and your dog to come together with others to improve your dogs obedience and social skills and for you to improve your knowledge of dog care. Much emphasis is placed on the handler's ability to control and generally care for their dog in a domestic situation. The Kennel Club Scheme is designed to include all dogs of any age. Both the classes and the assessment are fun and not at all competitive.

Puppy Agility

This course is designed for young dogs that have successfully completed their foundation course but are not mature enough to do beginners agility. The course is designed to improve their obedience but at the same time to introduce them to the concept of agility. There is no jumping or use of any equipment that would put a strain on young joints. The focus is on fun and control. Courses are all held in a secure area indoors or outdoors depending on the weather.

To come on this course your dog needs to have completed our Foundation Course or similar and not to have any behavioural problems such as aggression towards other dogs/humans or bark excessively. This course is excellent for improving the bond between dog and handler.

Agility with or without Flyball option.

Courses are held indoors in winter outdoors in summer (weather permitting).

Obedience, socialisation, jumping, obstacles and fun in one course. Dogs should only come into this class if they have successfully completed our Foundation course or they have done basic training elsewhere.

Beginners –suitable for dogs that have a good level of obedience who have never done agility.

Bronze—Suitable for dogs that can do a simple course of 5 obstacles and will progress to 10 obstacles by the end of the course

Silver—Suitable for dogs that can do a moderate course of 10 obstacles and will progress to 15 obstacles by the end of the course.

Gold - Suitable for dogs who can do a challenging course of 15 obstacles and will progress to 20 plus obstacles by the end of the course.

Find it fetch it (Gundog fun)

The objective of this course is to channel the natural hunting skills of your dog, into fun gundog obedience exercises. It will also enable your dog to take part in a gundog scurry at country shows. It is an ideal course for dogs that love to retrieve .Your dog will learn whistle signals, to stop and to return on command and to retrieve objects by sight and scent. Dogs coming into the Beginners class must be at least 6 months old, and have successfully completed our Foundation Course or have ,a good wait, basic recall, like to retrieve We offer 2 levels of course:

Beginners—for dogs who have done no gundog training.

Improvers— For dogs that have completed a beginners course and want to practice their skills.

Explorer Walks

A trainer will guide you and your dog around some of Norfolk's fabulous walks. These walks are designed so you can:

- Be guided around new walks (woods, beach, heathland, towns and villages) so you build up a repertoire of interesting walks for you and your dog
- Make new friends in a social situation
- Practice heelwork (on or off lead depending on competence of dog and handler).

To come on these walks your dog must be at least 8 months old, have no behavioural issues and be able to walk for 1 to 1.5 hrs. The walks will be on lead with the exception of dogs who hold Kennel Club Silver or have completed our Obedience on Walks course, these will be allowed off lead at the discretion of the trainer. Please note that no training is included in these walks.
